"We both knew that we wanted to keep the entire event at Rodeph Shalom. For us, the spirit and purpose of the event belonged at Rodeph Shalom. Parking, the beauty, the generous space options, and the flexibility make the venue perfect. The feeling of warmth and celebration was exactly the right tone."

Andrew Kleeman and Holly Lentz Kleeman

"For our daughter's Bat Mitzvah luncheon celebration, we used the Teller Auditorium. The Berg Lobby held the buffet food, and the Teller provided a large space for 200 guests with dancing. To save out-of-town relatives from moving to another location and searching for parking, we remained at RS after the service and seamlessly moved downstairs. Having everything in one building was such a stress reducer!"

Karen Wisnia and Kirk Wattles

"I was so pleased to host my granddaughter's baby naming at RS. From the intimacy of the chapel to the beauty of the Community Room, the entire experience was a true delight for family and guests alike!"

Fran Martin

"The building services staff were excellent! Everyone wanted to make sure we had everything needed. Of course, the clergy were fantastic throughout the entire process."
